

Use of the Network's E-mail List

Approved by Network Steering Committee

June 2011

ROLE: The primary priority of the Network is professional education, networking, and discussion of issues.

APPROVED ACTIONS:

- To share information (i.e. information related to SA/DV *including job postings, legislative actions, or other issues affecting the whole community*).
- Use of the Network mailing list or List-serv is limited to Network business, and other specific DV/SA issues that concern all/most Network participants.
- It is not to be used or sold for solicitations, fundraisers or personal gain.
- All mailings will have an identified person to contact, if they wish to be removed from the mailing list.
