NETWORK Mission

The NETWORK is working to end domestic and sexual violence in New Mexico. The NETWORK is an inclusive collaborative of multidisciplinary, multicultural domestic violence and sexual assault program providers and organizations dedicated to strengthening policies, protocols and services to reduce the incidence of sexual assault and domestic violence in state and tribal communities. This mission will be accomplished through information and resource sharing; cross training; identifying gaps, critical needs and/or duplications of services; fostering new partnerships; and collaborating on and supporting legislative efforts.
